PRICE LIST No. 468

ISSUED

JAN. 25, 1928

PLEASE NOTE

The Virginia State law now requires that all seeds, including Oats, Grain, Peas, Beans, Potatoes, etc., be sold by weight (per 100 lbs.) instead of by the bushel, as heretofore. We think this method will be far better in every way after we become accustomed to the change, and ask that our customers please order in terms of pounds instead of by the bushel as before.
